

“Osteoporosis & Women”

Dear Friend

The International Menopause Society takes great pride in inviting you to an International Webinar on **“Osteoporosis & Women”**.

This will be an exciting platform to interact & discuss the management of this silent epidemic which leads to serious disability in older women.

This interactive Panel Discussion will provide you with the opinions of national and international experts from the field of Women’s health & Osteoporosis.

Looking forward to interacting with you.

Date : Saturday, 9th May 2015 |
